Abaca, cultivation, in Costa Rica 123
Agricultural—
area in French North Africa 99
equipment, imports into Iceland, 1937–42 54
land, area in Costa Rica 127
land law in Turkey 142–144
policy, Colombian. John A. Hopkins 178–188
policy, development in Colombia 178–180
problems, wartime in the Soviet Union. D. N. Prianishnikov 146–150
production—
and price-support policy, in United Kingdom. Montell Ogdon 18–30
and trade in French North Africa. Lois Bacon 98–105
in Costa Rica, effects of war 128
of the United Kingdom, principal crops 26
products—
exports from Iceland, 1937–42 54
import duties in Colombia, 1931, 1945 180
in Brazil, State of Sao Paulo, area and production, 1942–43 83
Agriculture—
and food, Italy, Trieste Region. Victor B. Sullam 190–192
and foodstuffs in Taiwan (Formosa). Raymond T. Moyer 2–12
chief industry, in Taiwan 2–6
effects of flooding, in the Netherlands 48
Iceland's. Karen J. Friedmann 50–54
in Brazil, Sao Paulo. Henry W. Spielman 82–95
in Italy, wartime damage 69–70
in Japan: prewar. W. I. Ladejinsky 130–142
Italian, recent developments. Victor B. Sullam 66–74
of Costa Rica. Kathryn H. Wylie 114–128
wartime shifts in Latin America. John J. Haggerty 75–80
Alfa grass, acreage in French North Africa, 1933–37 99
Alfalfa, Brazil, State of Sao Paulo, area and production, 1942–43 83
Algeria. *See* French North Africa.
Anglo-Egyptian Sudan—
soil conservation—
E. N. Corbyn 188–189
problems and recommendations 188, 189
soil erosion, extent 189
Apricots, canned, payments under Australian Export Guarantee Act (1924) 172
Area, in French North Africa, 1933–37 99
Argentina, wartime shifts in agriculture 79–80
Asses, number in—
French North Africa, 1933–37 103
Italy, 1938–42 68
Liberated Italy, 1942–44 70
Australia—
apricots, canned, payments under Export Guarantee Act (1924) 172
beef exports, recommendations of International Conference 171

Page

Australia—Continued
broom millets, payments under Export Guarantee Act (1924) 172
butter—
cost of price support, 1938–39 174
exports under Paterson Scheme 166
prices received under equalization plan, 1934–43 167
cheese, cost of price support, 1938–39 174
dairy—
industry, under Equalization Scheme 166, 167
products—
processed, subsidy on 168
production 166–168
dried vine fruits, cost of support, 1938–39 174
Export Guarantee Act, provisions 172
exports, acts controlling 162
farm products, wartime price policy 175
fruits—
area and production 171, 172, 174
canned, Government support 175
citrus, payments under Export Guarantee Act (1924) 172
dried vine, Government support 175
kinds 171, 172, 173
types exported 171, 172, 173, 174
Government aid to fruit industry 172
meat—
exports 169–171
import controls 169, 170
organized marketing of export commodities. Maurice E. Wright 162–176
payments made under the Export Guarantee Act (1924), 1925–34 172
prices received for—
butter, under equalization plan, 1934–43 167
cheese, under equalization plan, 1934–43 168
raisins and currants, tariff rates, in United Kingdom 173
sugar—
cost of price support, 1938–39 174
exports 168, 169
Peak Year Scheme 169
production 168–169
value of production and exports, 1932–33 to 1941–42 162
wheat—
assistance schemes 164, 165, 166
cost of price support, 1938–39 174
exports 164, 165, 166
industry 164–166
prices 165, 166
wine, Government aid 173
Wool Board, income and principal expenditures, 1938–39 to 1943–44 164
wool industry—
Government acts regarding 163
postwar problems of 164
production and marketing 162–164
Australian Dried Fruits Association, organization 172, 173

Australian Meat Board, powers 171

Bacon, Lois: Agricultural production and trade in French North Africa 98–105
Bacon, wholesale prices, England and Wales, selected years, 1932–38 153
Bananas—
  Brazil, Sao Paulo, area and production, 1942–43 83
  Colombia, industry 182
  Costa Rica, industry 119–120
  exports from—
    Colombia, 1926–44 181
    Costa Rica, 1903–43 119
Barley—
  hulled, Colombian import duties on, 1931, 1945 180
  in Egypt, average yield per acre, 1939–44 38
  in French North Africa, acreage, exports (net), and utilization (apparent), 1923–37 101
  in Japan, acreage, production and consumption 138
  production, possible effects of flooding in the Netherlands 48
Beans—
  Colombian import duties on, 1931, 1945 180
  in Brazil, State of Sao Paulo, area and production, 1942–43 ..... 83, 90
  in Colombia, area and production, 1944 178
  in Costa Rica, production 122
  net imports into Costa Rica, 1930–43 121
Beef—
  and veal supplies, in the United Kingdom, 1930–39 107
  cattle, marketing in Colombia 155
  Colombian import duties, 1931, 1945 180
Bolivia, wartime shifts in agriculture 78
Brazil—
  agriculture in Sao Paulo. Henry W. Spielman 82–95
  background of agricultural production in State of Sao Paulo 82
  consumption of domestic and imported fibers, by States, 1941–42 63
  imports of jute fiber, by ports, 1934–42 56
  jute—
    areas of cultivation in Amazon Valley 59
    characteristics of fiber and plant 60
    classification and quality 60
    consumption 63, 64
    cultivation methods 57–58
    fibers, consumption, by States, 1941–42 63
    growing, experiments 56
    imports 56, 63
    industry—
      development 55–56
      status and postwar prospects 64
    marketing costs 62–63
    methods of seed selection 61
    plantations, living conditions 61–62
    production—
      areas 58–60
      centers 55
      wages and costs 62
    products, utilization 55
    retting methods 58
    shipments from Amazon Valley, 1939–43 59
    species of plants 60

Page

Brazil—Continued
  jute—Continued
    varieties 56
    yields of fiber 60–61
  map, showing location of States 82
  new jute-production industry. Cecille M. Protzman 55–64
  State of Sao Paulo—
    acreage of coffee farms 87
    acreages of agricultural products, 1942–43 83
    agricultural labor 86
    alfalfa, area and production, 1942–43 83
    area 82
    bananas, area and production, 1942–43 83
    bean area and production, 1942–43 83
    castor-beans, area, production, and varieties 83, 91
    cattle numbers 94
    climate 83–84
    coffee—
      area and production, 1942–43 83
      industry 86–87
    corn industry 89
    cotton—
      exports 88
      growing conditions 87, 88
      producing zones 88
      types 88
    farming methods 82, 83
    farms, number and size 85
    farm-tenancy system 85–86
    figs, area and production, 1941–42 83
    food-production prospects 95
    fruit—
      acreage, 1942–43 83
      varieties 92–93
    garlic, area and production, 1942–43 83
    Government distribution of silk-worm eggs and mulberry seedlings, 1939–44 89
    hogs slaughtered 94–95
    labor systems 86
    land uses 84–85
    livestock industry 93–95
    map, showing rainfall distribution 84
    nationalities of farm operators, 1939–40 85
    pineapple varieties 92
    population 82, 84
    principal milk-producing zones 94
    production of—
      bananas 92
      beans 90
      castor-beans 83, 91
      citrus fruit 92
      coffee 86–87
      corn 83, 89
      cotton 87–88
      dairy products 94
      eggs 94
      grapes 83, 93
      manioc 91
      menthol and mint oil 91, 92
      peanuts 91
      poultry 94
      ramie 83, 89
      rice 83, 89–90
